Gaea Goddess Gathering (GGG) is a festival for all women. The founding mothers, Carrie Moonstar and Rosalie Vaught started GGG in 1997 and the festival has evolved into a wonderful 4-day women's spirituality event focusing on the celebration of the Goddess in every woman.

The festival offers a wide variety of workshops encompassing:

- Psychic Development
- Self-Healing
- Drumming
- Hands-on Artistic Creations
- Herbal Mysteries
- Rhythmic Dance
- Maiden Workshops
- Goddess Lore

...that all makes for a truly empowering weekend.

At the festival there will be a series of women's empowerment rituals, a Goddess temple for all to experience, and many wonderful women artisan/vendors for your shopping pleasure.

We offer a diverse meal plan with both omni and veggie options to delight your palate.

Gaea Goddess Gathering is held at Camp Gaea; 168 acres of beautiful wooded land with camping, cabins, a bathhouse with hot showers and flush toilets, and a 9-acre lake with swimming and a few row boats.
