About GGG

The Gaea Goddess Gathering is a festival for all women. The festival originated in 1997, and has evolved into a 4-day women's spirituality event focusing on the celebration of the Goddess of every woman.

Workshops covering a wide range of topics important to women are offered on Friday and Saturday. Drumming and dancing workshops provide an outlet for women to express their creative self. Women can learn more about the Goddess that lives within each of us, while also meeting others who share similar beliefs.

The Artisans Circle includes – merchants offering a variety of handmade wares, GGG Central (information, t-shirts, first aide, silent auction and more), Goddess Café and the Goddess Temple. Each year the Temple is erected to honor the Goddess whose attributes have been selected as guiding principles for the Festival.

Nighttime events include a concert with Big Bad Gina and GBMojo, Talent Show & Main Ritual with the women of GGG. A drumming and dancing fire circle takes place every evening following scheduled events.
